#### **KZN OPEN**

**6TH FEBRUARY 2016**

The 2016 SAHSA KZN OPEN was hosted at Mt. Everest Game Lodge.

The KZN Open has become one of the most popular in the country and was supported by 209 entrants from across the country.

Mt. Everest offers a multitude of idyllically beautiful range options set at the foot of staggeringly high sand stone cliffs and majestic views as far as the eye can see.

The terrain was used to set out the following ranges.

Range 1: Warthog at 80m (elevated). Shot from the kneeling position in 60 secs.

Range 2: Gong range set at a 30° elevation shot off a IHAWU backpack from the prone position. Distance of furthest gong 300m.

Range 3: Blesbuck at 170m. Shot off shooting sticks in the standing position.

Range 4: Jackal at 150m. Shot using a long single stick from the sitting position.

Range 5: Gong range shot off a big rock in any position. Distance of furthest gong 340m.

Range 6: For the first time in SA the new baboon target was shot from the prone position over a sand bag at a distance of 325m.

The competitors were divided into 6 equal sized squads and allocated a range to start on. From there the squads shot each range progressing in numerical order. The shoot was enjoyed by all with overwhelming positive feedback.

After the shoot a delicious sheep on the spit sit down meal was enjoyed.

This was followed by the prize giving.

We are grateful to our sponsors for their liberal contributions and support of the shoot. This enabled us to award fantastic prizes to all our winners.

We express our appreciation to:

SAFARI & OUTDOOR  
INYATI SPORTING SUPPLIES  
L & O GROUP  
AFRISAM

Special thanks must go to Mr Petrus Weyers and his team from Mt. Everest Game Lodge. Nothing was ever too much to ask and he truly went the extra mile.

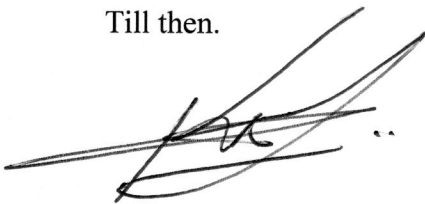

A big thank you to Wimpie Blaauw for the scores. We would not be able to do it without you.

To Johannes Schoeman and his team for a VERY VERY BIG EFFORT. WELL DONE.

Attached are the winners of all the various categories. Piet Breedts must be singled out. He shot an incredible score of 886/900. Congratulations Piet.

We look forward to an even better and bigger shoot next year at Mt. Everest to be hosted on the first weekend of February 2017.

Till then.
